

## *PUBLIC OUTREACH OPPORTUNITY*

To **HOLD AN HOUR-LONG MEETING** for the clients in a **Recovery Treatment once a week**. Just like any other Al Anon meeting we will need a chair and a speaker. There is a welcome and introduction already written that helps explain Al Anon. The speaker will be asked to focus on their story and how Al Anon works for them. Clients get the option to come to our weekly Al anon meeting and may attend more than once during their stay. Volunteers will be helped with AFAs and meeting directories to hand out, the format, and experienced mentors that will attend with the new volunteer until everyone is comfortable. The volunteer coordinator will offer you help and guidance. You are never alone. A limited number of Al-Anon members can attend to observe in anticipation of volunteering in the future.
