Gratitude for Service in AISDV

I came into AISDV service about 5 years ago as an Information Service Representative (ISR), never having served outside my group before. I'm still in AISDV service but my positions have changed with rotation of service. Right now I'm RAP editor. When I began service as an ISR, I didn't know what I was getting into, how it would help my group, or how it would help me. My nature is to be curious and to be open to new experiences, so with that I stood for election as ISR. As with so many service positions that go unfilled for long stretches, my group had only me as a candidate for ISR and I was unanimously elected.

I'm grateful to AISDV for giving me a home for my restlessness and curiosity. It has given me a place to grow in the program, make friends, work on the steps, traditions, and concepts and receive appreciation for my service. Isabelle B, District 1

LOVE GIFTS FOR DELEGATES AT WSC

Why send love gifts for Delegates attending World Service Conference? For me it means, "Hello, I'm here and you're way over there, but we're connected in Al-Anon's world wide fellowship. Thank you for your service."

Our PA Delegate Ralph H will be happy to carry gifts from your group to the WSC in Virginia Beach April 18-21.

For details about when and where your group can send gifts, and what type of gifts, contact your District Representative (DR). Don't know your DR? Call AISDV 215-222-5244. **-Editor**

Al-Anon's Supplementary Sheet, "Did You Grow Up With A Problem Drinker" (S-25)

The following is by **Kimberly M, District 2**, who attended a public outreach event in Philadelphia. - Editor

At a recent public outreach event, AA and Al-Anon were invited to present to mental and behavioral healthcare professions, who care for children, about the programs.

In explaining the effects of Alcoholism on children, it is easy to know causes when the family is obvious in the disfunction, i.e. Child Services is involved. It may not be as easy to recognize the distress when the family "looks fine." I pointed out the Al-Anon piece "Did You Grow Up with a Problem Drinker" (S-25). This sheet can be shared with the child and parent(s) to discover something new about the cause of the child's distress and maybe about themselves.

The reason S-25 is important to me— It convinced me to attend an Al-Anon meeting. Growing up, the reason Daddy didn't live with us was because Mom didn't want us to grow up with an alcoholic around. But that did not stop me from answering "Yes" to many of the questions on S-25. The family disease of alcoholism can be passed down by a generation of "non-drinkers," who grew up without the knowledge of Al-Anon.

I am grateful for S-25. It introduced me to others like me who felt confused, awkward, and isolated from the rest the world. Now, I have a *family of choice* and choices are GREAT!!!
